

Announcement - Ontario Card Nominations OAAP – 2025 OUTDOOR SEASON

March 31st, 2025

Archery Ontario is pleased to announce the final list of athletes who have been nominated for Ontario Cards under the 2025 Ontario Athlete Assistance Program (formerly Q4G). Ideally, applicants will successfully compete in Ontario Tournaments to apply for Ontario carding.

All archers/athletes considered for a **Full Card** competed in 3 important events (i.e. ideally 2 Ontario events and 1 national level event including, but not limited to the Ontario Junior Challenge, the Ontario Target Championships, and the Canadian National Target Championship. In some instances, archers attended the Canada Cup East, or the Canada Cup West, or the World Youth Championships, following the advice of their coaches (who applied for a substitution) and so, their scores from the CCE/CCW/WJC were considered for carding, in lieu of the Ontario Target Championships. Ideally, Archers/Athletes needed to be within 100 points of top scores/based on Ontario records, in their respective age groups.

All archers/athletes considered for a **Partial Card** competed in 2 important Ontario events (i.e. ideally 2 Ontario events and/or 1 Ontario event + 1 national level event (amongst those previously listed – same as for a Full Card consideration).

A total of 9 cards will be distributed (3 Full + 6 Partial) In the process of re-building. PSO wanting to onboard athletes showing a great deal of promise through their performances. Looking for a balanced distribution (Male to Female and Recurve to Compound ratios). A renewed focus on Next Generation Athletes/ Archers. Whereas Para Athletes are unavailable, or if an athlete declines, the card is reassigned to the next available candidate and/or whereas none is available, grant money is reinvested in the program portion of the funding. The decision of the Selection Committee is final and to the sole discretion of the board members actively participating on this committee. **Congratulations** to the Ontario athletes/archers, their families, and coaches. We wish you well in the 2025 Outdoor Season!
