

## ARCHERY ONTARIO – CALCULATIONS DOCUMENT- OAAP/Q4G - 2023 OUTDOOR SEASON

**PROCESS:** The archer's score is subtracted from the winning score. The archers are then ranked based on the difference between the scores. The ranking for each archer for each of the two events are added together to produce the final OAAP-Q4G ranking in last column. Archers considered for funding must be within a 100-point spread of highest score. Where two athletes in same category are within 100 points, the closest to the goal is 1st. In some instances, Canada Cup East scores were substituted for AO Target Champs (further to coaches' request) for Recurve Archers Only. Athletes nominated for Ontario Carding are in **yellow**. If there are errors on the list, please email [administration@archeryontario.ca](mailto:administration@archeryontario.ca) who will inform The Selection Committee. Thank you.
