

Doping-free Sport Policy

The Ontario Association of Archers (OAA) is committed to doping-free sport and adopts the Canadian Policy Against Doping in Sport as the anti-doping policy for the organization. OAA will adopt the principles of the anti-doping policy in the delivery of its core services and programs and will work with CCES, WADA and ICCE to ensure the application of the policy within its core services and programs to ensure that Canada's coaches take a proactive stance against anti-doping in Canada.
