ACCOMODATIONS

I've done my best to get apples to apples comparison for everyone (2 beds, double/queen). All of these accommodations are located on Great Northern Road/Hwy 17 North, ten minutes from the Algoma Rod and Gun Club.

Below you'll find full-service major hotel brands and roadside motels. There are accommodations to suit everyone's taste, needs and price point. I've talked to everyone behind the desk (I did not try and barter or negotiate) and have done my best to get apples to apples comparison for everyone. Some hotels/motels mentioned that they will give you a block rate for a group of people or CAA discounts. If you need assistance in doing a block rate let me know and I will facilitate it the best I can with you and your choice of stay. All Hotels/Motels did mention that with the border being opened up this year that they are expecting a near full capacity summer.

Remember, Ontario's STAYCATION TAX CREDIT makes local traveling pay in Ontario. Ontarian's can claim up to \$200 per Individual or \$400 family on hotel/motel accommodation stays this year. Make Sault Ste. Marie your ARCHERY STAYCATION DESTINATION this summer!

Sault Ste. Marie is renowned for its Italian dining options and pizza, on the strip you have Giovanni's, Fratelli's, and Gino's, as well we have Indian cuisine and the standard franchise chains. If you venture off the strip to the Mill District/Casino area you have food that is above and beyond excellent (Boiler Room, Train Station) and further down the waterfront you have Johnny's Chop House and Montana's.

ALGOMA CLASSIC TRAIL SHOOT

Rules

Participants will start shooting at the signal, approximately 8 a.m. both days. The air horn will sound to begin the round.

- 1. All Shooters will shoot twenty five (25) targets on Thursday and twenty five (25) targets on Friday. You MUST shoot targets in order and may not skip targets.
- 2. SHOOTERS MUST START ON THE TARGET ASSIGNED ON YOUR SCORECARD. You will be disqualified from the event if you change targets without prior approval from Registration.
- 3. Your first target will be for SCORE. *There are no practice targets on the range*. Shoot from the stakes appropriate for your age group:

Red Stake (day 1/day2):

0

0

Recreational Class - Cub (1-14 years old) = 20 yard max Blue Stake (day 1/day2):

Recreational Class - Youth (15-17 years) = 30 yard max Yellow Stake (day 1/day2):

Recreational Class - Adult (18+ years) = 40 yard max White Stake (day1) | Black Stake (day2):

Competitive Class = 80 yard max + 20%

4. This is a two (2) arrow per target shoot (except Cub, only one (1) arrow); scored 11-spot (ORANGE-WHITE-BLACK dot), 10-kill zone and 8-wound (rest of body). Scoring is determined by the position of the arrow shaft; an arrow shaft needs only touch the edge of the spot, scoring line or animal to gain the higher value. In the event the edge of the spot or scoring line has become distorted or missing from arrow impacts, the scorer must visually reconstruct the natural arc of the spot or scoring ring to determine the value of the arrow in question. The shooting group should be able to determine this. If there are more than one scoring dot on a target then the archer must call the dot they are aiming for. If you hit a dot you were not aiming at, it will be scored as an eight (8).

- 5. The archer must be as close as possible to the shooting line plane (Parallel to target), which is marked by the distance stakes. No archer may advance to the target before all arrows in the group have been shot.
- 6. Arrows which are not visible, that have passed through the animal's scoring area, may be pushed back and scored so long as part of the arrow is still in the animal or backstop in which the animal is attached.
- 7. No archer shall advance to the target and then return to the stake to shoot again unless an arrow is found to have obviously passed through the animal and the group can not agree on the score.
- 8. Glance off objects and off-ground skids or glances into the target WILL NOT count. If witnessed, arrows striking an object over the shooting lanes may be re-shot.
- 9. Any archer who shoots arrows at the target in excess of the prescribed number (2), shall lose the arrow or arrows of the higher value. Repeated arrows such as a test arrow or arrows for a bet shall deem the archer subject to disqualification. Any arrow shot into two (2) separate targets, loses the arrow of higher value. Lanes with more than one (1) target, the archer only shoots one (1) target.
- 10. A shot arrow is an arrow that has been propelled by the string for any distance and MAY NOT be reshot.
- 11. In order to keep the tournament flowing smoothly, maximize the shooting line by shooting multiple archers at a time. If there are one or more open targets in front and two or more groups back up, the delaying group shall allow backed up groups to shoot through.
- 12. Groups will enforce a "2 Let down, 3 Draw back" rule. A third let down will be counted as a shot arrow.
- 13. Binoculars and Range Finders are permitted. Tri-Pods and Spotting scopes are NOT Permitted.
- 14. Both sets of cards must be turned in each day. The scorekeepers for each group need to pick up scorecards by 7:30 a.m. on Thursday. Note: Scorecards will be filed under the target that you started on. On Thurdsay, scorecards must be turned in with both scorekeepers and shooters initials. Anyone signing an incorrect scorecard is subject to disqualification.
- 15. All shooting styles are allowed, It is the shooter's responsibility to verify the information listed on their scorecards. Be sure to check your name, class, as posted on the scoreboard. If a correction is necessary, please address it at Registration before 6:00 p.m. Thursday. Corrections WILL NOT BE ACCEPTED after 6:00 p.m. Thursday.
- 16. All arrows shot by an archer in the COMPETITIVE CLASS must match in arrow size, diameter and weight, as well as, fletching, and marked with the shooters initials.

- 17. Protests must be submitted in writing, along with a \$50 protest fee to Registration within thirty (30) minutes following the end of the days shoot.
- 18. Scorecards must be turned in on Thursday within thirty (30) minutes after the last group finishes shooting. After the announcement Friday afternoon to end shooting, you will have thirty (30) minutes to turn in your scores. Scorecards turned in after that time will not be posted.
- 19. There will be no allocation for equipment failure come prepared
- 20. No archer shall draw a bow with the bow hand above the top of the head when drawing on a horizontal plane, parallel to the ground. This act is either referred to as "high drawing" or "sky jacking". Any archer drawing a bow in such a manner is subject to immediate disqualification.
- 21. Absolutely NO alcoholic beverages may be carried or consumed on any range during shooting hours. Anyone caught breaking this rule will be immediately disqualified and escorted off the range.
- 22. Please be courteous to other archers. We know you may have to wait your turn to shoot, but please keep your conversations low while others are shooting.
- 23. Speed Limit 300 FPS (+3% for chrono differences)
- 24. All rules are subject to the interpretation of the Tournament Director.
